Second Harvest Food Bank

At ATA we want to remember the true spirit of Christmas and focus on building character into our students by giving them the opportunity to experience the joy of giving to others. Beginning December 2nd and continuing throughout the month, we will be collecting non-perishable foods, which we will be donating to the Second Harvest Food Bank. Canned foods can be brought in and deposited in our barrel during your child's regularly scheduled class. Last year we filled 1.5 barrels with canned goods and we're excited to see your generosity again this year! Join us as we impact our community and set an example of giving and generosity for our children.
