ATA Gives Back

In November students discussed the character building quality thankfulness, discovering that they had MUCH to be thankful for. Lets keep the spirit of the season going with opportunities for our preschoolers to GIVE back to those who are less fortunate.

During the month of December ATA will be collecting non-perishable foods for Second Harvest Food Bank. Non-perishable foods can be brought in and deposited in our barrel all month long. We will also be collecting during Christmas show week. Bring a treat for your child's class and a can to donate! For more information about this organization or ways to volunteer with your family please visit www.shfb.org

Back this year are our mischievous little elves from the North Pole, Flip and Flop! They will be helping us with our donation drive. These silly elves will be keeping an eye on our donation efforts and starting some crazy shenanigans during the next few weeks. See if you can spot them when you're here in the gym, they're sure to be a hit once again this year!

Happy Tumbling and
Merry Christmas
