

### Giving Thanks!

As we get ready to celebrate Thanksgiving, it gives us the perfect opportunity to teach our children the character quality of thankfulness. During the month of November, all recreational classes will take a brief moment each week to discuss what thankfulness is and what we can be thankful for. Encourage your child to complete a thankfulness leaf and turn it into the front desk so we can decorate our walls. Let's make thanksgiving a way of life, not just a one-day event!

### Christmas Shows

The holiday season is upon us and here at ATA we are gearing up for our annual Christmas shows! Our shows this year will be held Fri-
